The team with the most Believers at the end of the game are the winners! The game is so simple you can start playing in 60 seconds. We also have a quick online instruction video on YouTube and our website.

Can your team work together to save a group of North Korean's imprisoned for illegally singing Christmas Carols? Guess the punchlines to awful Christmas jokes in the new quiz show 'Have Yourself A Merry Little QuizMas'? Or will you land a role in the new Christian rom-com 'There's Something About The Virgin Mary?' There is only one way to find out.

SANTA VS JESUS is for 4-16 players (so perfect for large groups and families at Christmas) and is recommend for ages 15 years +. Although the game deals with slightly adult and controversial themes, we know many 10-14 year olds who have played the card game in the past and loved it.
