Tyrolean Roulette

(for two or more players)

● **Scope of delivery**

- 1 Spinning top disc
- 1 Spinning top axle
- 13 Balls
- 1 Board
- 1 Set of instructions

Safety advice

- Retain packaging for future reference!
- **CAUTION!** The packaging and fasteners are not part of the toy and for safety reasons should always be removed before the toy is given to children.

WARNING! NOT SUITABLE FOR CHILDREN UNDER 36 MONTHS. DANGER OF SUFFOCATION DUE TO SMALL PARTS.

● **Instructions**

● **Getting ready**

- Assemble the top by putting the axle into the disc. Place the balls into the middle of the board and agree with your fellow players the number of points that have to be scored to win (e.g. 500 points).

● **Aim of the game**

The aim of the game is to be the first one to get the agreed number of points.

● **How to play**

- Place the top between the balls on the board and spin it.
- When the top spins, it will knock the balls into the indentations and holes which are assigned various points.
- Add the points together. Points scored with a green ball count as double; points scored with a natural-coloured ball count only once. Points scored with a red ball are deducted from the total number of points.
- If you score points with all 13 balls, you can put the balls into the middle and spin the top again.
- Players take turns to play until the first player gets the agreed number of points.

● **Cleaning and Care**

- Do not under any circumstances use corrosive or abrasive cleaning agents. These may damage the product.
- Use a slightly dampened, non-fluffing cloth to clean the product.

● **Disposal**

The packaging is made entirely of recyclable materials, which you may dispose of at local recycling facilities.

Contact your local refuse disposal authority for more details of how to dispose of your worn-out product.
